Mat. Blakely has established himself in the water selling business and is enjoying a good trade.

Everything sold at bed rock prices for cash at J. G. Stewart's on San Francisco Avenue.

F. E. Foster, President of the Arizona Wood Co., is visiting Santa Fe and Albuquerque on business.

Richards has lately nearly doubled his stock of goods. He surely is getting to the front. Go on Richards, you are sure to win.

Hon. W. G. Stewart went to Prescott Thursday night to attend, as a delegate, the Republican County Convention held there to-day.

E. M. Sanford, Esq., of Prescott, has been appointed solicitor for the Atlantic & Pacific Railroad in this territory. The CHAMPION congratulates.

Caldor Herring has moved two small houses from Church Street to the flat south of the stock yards. The new addition to town is dubbed "Goose Flat."

J. S. Templin, one of the most genial pill drummers that ever scalped a tickle, has been in town with his line of samples this week from San Francisco.

J. W. Weatherford is happy. His father arrived in town Thursday evening from the town in Texas that bears his name and will make Flagstaff his permanent home, we trust.

Harry Milbourne, one of Yavapai's most prominent sheep men, was in town this week purchasing supplies. Range life seems to agree with Harry, judging from his bronzed appearance.

At Mud Springs, in Tonto Basin, Robbie, a little son of Harry Hart's was drowned. This is the second son of Mr. Hart's which has met accidental death, the former being shot.

J. Salzman has just received his new spring samples of cloths from the east for which measures will be taken and a perfect fit GUARANTEED. Pants from \$6 upwards. Full dress suits from \$20 upwards.

J. Kennedy will open his store on San Francisco Avenue the first part of next week. He will carry a well selected line of gents furnishings, groceries, etc. Look out for his ad in our next issue.

A new butcher shop has been opened on Gold Avenue by David Blair, of Winslow, who is an experienced artist with a meat axe. The shop is neat and attractive. Notice his advertisement in this issue.

Flagstaff should be a little more previous in the organization of a base ball team. With such material as can be found here there is no reason why we should not have a team that would do credit to the territory.

On Wednesday evening a special communication of Flagstaff Lodge, U. D. F. & A. M., was held and the sublime degree of M. M. conferred on Charles C. Goven, General Manager of the Arizona Cattle Co.

Richards seems to be very quiet for his part just now. We do not see him in the front store much lately. We expect he is setting back hatching up some big scheme to astonish us. What is it, Richards? Let us know.

The pie social held at the M. E. Church last evening was rather thinly attended, owing to the rain storm. However, those who were present had a very pleasant time, and pie enough to last through the entire campaign.

Jim Vail has been wearing a very becoming air of paternal dignity since yesterday, all on account of an eight-pound daughter presented to him by Mrs. Vail yesterday morning. The CHAMPION is happy to state that mother and daughter are doing nicely.

Mr. Wm. Billups, of Colusa, Cal., who has been visiting his relatives, the Daggs Bros., for several days, left Wednesday for his home on the Coast. He has a fine stable of thoroughbred horses on his place at Colusa, and directs his entire attention to the breeding of fancy trotting stock. Some of the animals in his stables are valued at \$20,000 each. He is very favorably im- pressed with Flagstaff, and possibly will soon return to establish a branch of his industry here.

Oranges, Lemons and Figs at Stewart's.

Fresh Ranch Eggs and case eggs at Stewart's.

For fine staple and fancy groceries of all descriptions, call at Salzman's.

Richards says he will get all varieties of fruit as soon as they appear in the market.

H. R. Wilson, formerly of this place, is at Manuelito, N. M., engaged in buying wool.

D. S. Russell was in this week from his ranch at Bellemont, shaking hands with his many friends.

Richards candy factory is in process of building. He is putting up a sixteen-foot building.

Miss May Freeman, a sister of Mrs. B. F. Jacobs arrived in town this morning from Pomona, Cal.

The saddlery shop on San Francisco Avenue, formerly of W. S. Gray, has been purchased by L. E. Hoffman, and is now open for business.

A line of handsome clothing and gents furnishing goods has been added to the already complete stock of J. Salzman on which he won't be undersold in the west.

C. C. Hall, the most popular traveling man known in this section, who carries the grip for the Krafft-Holmes Grocery Co., of St. Louis, was in town this week.

Isaac Chrisman is building a frame house 24x40 adjoining Kennedy's store on San Francisco Avenue. It will be used as a lodging house and residence.

"Lucky Baldwin" passed through Flagstaff last Saturday with thirty thoroughbred horses, on his way to Nashville, Tenn. The bunch is valued at \$300,000.

Everybody can wear good clothes now that J. Salzman has opened his new stock of clothing, which he is selling so cheap that it won't pay to wear the old suit. Take a look at them!

Go to Brannen's if you want anything fine in dry goods, gents furnishing goods, boots and shoes, hats, etc. He has the largest stock in town. Satisfaction guaranteed or your money refunded.

The next stated communication of Flagstaff Lodge, U. D. F. & A. M., will be held on Monday night, April 23d for the transaction of business and work on the E. A. Degree. Sojourning brethren cordially invited to attend. By order of J. E. BURCHARD, J. GUTHRIE SAVAGE, Acting W. M. Secretary.

Spring Medicine.

The necessity of a spring medicine is almost universally admitted. And the superiority of Hood's Sarsaparilla for this purpose becomes more and more widely known every year. That power to purify the blood, and those elements of strength and health which the system craves, and to which it is so susceptible at this season, are possessed by this peculiar medicine in a pre-eminent degree. Scrofula, pimples, boils or any humor, biliousness, dyspepsia, sick headache, catarrh, rheumatism, or any diseases or affection caused or promoted by impure blood or low state of the system, are cured by Hood's Sarsaparilla. Try this peculiar medicine.

Mr. C. H. Oelamer is a Very Lucky Man.

Mr. Oelamer was in his cigar factory, No. 1552 Main Street. To questions from the News man he said: "Yes, I drew \$5,000 in the Louisiana State Lottery last Tuesday, and I have been paid every cent of the money. I got ticket 60,675, which I sealed up in an envelope and thought no more about it until I read a list of the lucky numbers in the Dallas News. I then examined my ticket and found that I was the fortunate man." The lucky man is a young unmarried German and lives with his mother and sisters, the latter being interested with him in the prize.—Dallas (Tex) News, March 18.

Business Directory.

The CHAMPION force is busily engaged in compiling a business directory in which will be classified in alphabetical order the name and line of business of every firm or individual doing business in Flagstaff, Holbrook, Winslow and Williams. The work will be done in the highest degree of typographical perfection and cannot fail to be a desirable and valuable work. Advertisements of leading business men will be received at reasonable rates. A solicitor for the work will call upon you the coming week. No charge, whatever, is made for the insertion of names and line of business. The advertising will be only item subject to a tariff, and no one need advertise unless they are so inclined.

## TOMBSTONES TRAGEDY.

Attempt at Murder and Success at Suicide by George Daves.

Last Friday the people of Tombstone were horrified at the spectacle of George Daves pursuing a young lady by the name of Pietra Edmunds across the street towards her father's home with a revolver in his hand, the deadly contents of which he was rapidly pouring toward his terrified victim. After firing three shots, one of which was seen to take effect he placed the pistol to his own temple and sent a bullet crashing through his brain causing almost instantaneous death. The young lady was found to be dangerously wounded, the ball having entered the back near the shoulder blade, passing through the right lung and out of the breast. At last accounts she was resting easily and hopes were entertained of recovery. The motive which prompted the young man to his desperate action was jealousy. He was devotedly attached to the young lady, and finding that his place in her affections had been usurped by another, his reason yielded to the weight of despair and blighted hopes, and he sought relief and revenge through the destructive agency of the revolver.

An Imperative Necessity.

What pure air is to an unhealthy locality, what spring cleaning is to a neat housekeeper, so is Hood's Sarsaparilla to everybody at this season. The body needs to be thoroughly renovated, the blood purified and vitalized, the germs of disease destroyed. Scrofula, salt rheum, and all other blood disorders are cured by Hood's Sarsaparilla, the most popular and successful spring medicine.

RAYWOOD & SIMPSON, Architects.

White Swelling.

Mr. M. S. Hamlin, one of the best known insurance men in North Carolina, writes from Winston, as follows: "Ever since I was seven years of age I have had what the doctors call hip disease, and which I call white swelling. My hip was drawn out of place. There was a swelling at the knee-joint, where there is a profuse running, which has been there for years. Of course this has greatly depleted my system, together with surgical operation on the leg bone. I tried every known blood purifier to build up my system, but none did me good until I took S. S. S. I use it every spring. It always builds me up, gives me appetite and digestion, and enables me to stand the long, trying, enervating, hot summer days. To me there is no such medicine for purifying the blood and building up the wasted system as S. S. S. On using it I soon became strong of body and easy of mind. My color changed from a pale, worn look to a healthy, robust complexion."

Mr. G. N. Frizel, of Farmerville, Texas, writes: "About August 1st, 1895, an eruption appeared on my arms and legs, which pained me much and seemed to affect my physical condition generally. On the advice of a physician at this place, I finally commenced using Swift's Specific. I am glad to say that after using three large bottles the sores have all healed."

Treatise on Blood and Skin Diseases mailed free. The Swift Specific Co., Drawer 9, Atlanta, Ga.

J. W. Weatherford has established a hack line between Flagstaff and Milton. He makes a round trip every half hour. The fare is fixed at the reasonable sum of fifteen cents each way.

The Flagstaff Transfer and Commission Company, L. L. Burns, president and secretary, announces its readiness to attend to any business in that line. Read their ad in another column.

The Albuquerque Citizen has the following: The committee on Indian deprecation claims have made favorable recommendations in the following cases, all of whom live in New Mexico: Franz and Charles Huning, merchants of Albuquerque, \$6,000, loss by Navajos; same parties, \$13,397.02, loss by Cheyennes; Robert B. Carley, Albuquerque, \$3,536, Navajos; Bernardo Villencia, Bernalillo County, \$2,400, Apaches; James H. Whittington, Valencia County, \$4,000, loss by Apaches.

Worth Knowing.

Mr. W. H. Morgan, merchant, of Lake City, Fla., was taken with a severe cold, attending with a distressing cough and running into consumption in its first stages. He tried many so called popular cough remedies and steadily grew worse. Was reduced in flesh, had difficulty in breathing and was unable to sleep. Finally tried Dr. King's New Discovery for Consumption and found immediate relief, and after using about a half dozen bottles found himself well and has had no return of the disease. No other remedy can show so grand a record of cures as Dr. King's New Discovery for Consumption. Guaranteed to do just what is claimed for it. Trial bottle free at D. J. Brannen & Co's.

Renews Her Youth.

Mrs. Phoebe Chesley, of Peterson, Clay Co., Iowa, tells the following remarkable story, the truth of which is vouched for by the residents of the town: "I am 73 years old, have been troubled with kidney complaint and lameness for many years; could not dress myself without help. Now I am free from all pain and soreness, and am able to do my own house work. I owe my thanks to Electric Bitters for having renewed my youth, and removed completely all disease and pain." Try a bottle, 50c, and \$1 at D. J. Brannen & Co's Drug Store.
